

Caboto Soccer Club

1951 Anniversary 2021

President's Message

The world began 2021 with a great deal of uncertainty. COVID-19 locked down the province in January and February and Caboto Soccer was forced to shutdown all on-field soccer activities. We patiently waited for a reopening and had a small opportunity to get back on the turf at Central Park in March. Things quickly shutdown again in April and the prospects of a summer season looked bleak.

At the end of June, Ontario Soccer made a welcome, yet unexpected announcement, to allow leagues and Ontario Cup competition to begin in mid-July. The Caboto Soccer Committee worked miracles to get 700 players (over 40 teams) ready for the season. Six months of work was crammed into six weeks. I have no words that can express the thanks I have for the Committee members who worked so many hours to make this season happen. There were many challenges to a shortened season but we collectively worked through the issues and finalized the season in the middle of October.

We had three of our teams advance to Ontario Cup Finals in 2021. The 2005 Girls Caboto Strikers Blue and Gold teams represented Caboto Soccer in the District Ontario Cup Finals where the Caboto Strikers Blue girls emerged as Ontario Cup Champions. Our Senior Women Caboto Strikers lost 1-0 in the Final against Scarborough.

In the month of August, Caboto Soccer players, coaches and parents, worked with Jeff Casey and the Play for a Cure team to raise over \$25,000 for the Windsor Cancer Research Foundation. Special congratulations to the 2009 Boys Caboto FC Academy Team who raised the most for the cause and earned a Professional Soccer Experience at St. Clair College. Further congratulations to our top three fundraisers - Lucas Gonzalez, Alex Joseph and Matteo Mosca.

We were unable to host our Annual Awards Banquet due to the Pandemic however we still recognized several individual award winners:

- Grassroots Coaching Staff of the Year - Aurelio Roncone and Michael Roncone - 2010 Boys Caboto Stars
- Competitive Coaching Staff of the Year - Mark Campbell, Dave Russo, Sara Campbell - 2006 Boys Caboto United
- President's Award - Pat Castellucci and Marco Rose
- John Naccarato Memorial Award - Paulette Jagatic
- Caboto Soccer "Egidio Mosca" Scholarship Award - Gabriella Idone
- Caboto Soccer Shield of Excellence - 2009 Boys Caboto FC Academy

In closing, I wanted to thank all the volunteers, coaches and players who made 2021 the best it could be under difficult circumstances. While many will remember 2021 for Zoom Meetings, Masks and Vaccines, Caboto Soccer can boast the addition of a 5th star to our Ontario Cup collection and be proud of the funds raised for Cancer Research in our area.

Cheers to all who made positive impacts in 2021! - Egidio Mosca - President - G. Caboto Soccer Club

To celebrate 70 years in the community, Caboto Soccer teamed up with Play For A Cure to raise money for Cancer Research.

Play For A Cure is an organization that raises money through team sport. All proceeds raised go to support local collaborative cancer research – initiatives that will help create better outcomes for our cancer patients. Play For A Cure' is the fundraising arm of the Cancer Research Collaboration Fund, which was established in partnership with the Windsor Essex Community Foundation, which holds the funds and issues the charitable tax receipts.
